- Students from high schools, colleges and universities, do you want to get summer employment to suit your career path?
- Do you want to know the available resources in Ontario that will enhance your opportunities to get into your dream profession through summer jobs and volunteer opportunities?

By attending this seminar, you will:

- Learn about the potential summer jobs that will help you to eventually gain entry into your favorite profession.
- Receive valuable information about career paths and the suitable summer jobs from experienced professionals and representatives from potential employers from government and private sectors.
- Collect information about the available financial and training resources in Ontario that will help you in reaching your career goal.

Some of the presenters are:

Rouge Valley Health System

YMCA

Durham Regional Police

Wal-Mart

Ontario Power Generation
